Dear Friend of the Community,

We are excited to announce that **The Mental Health Association of Passaic County** is having a

**35<sup>th</sup> Anniversary Celebration**  
**Thursday, June 4<sup>th</sup> 2020, 6:30 to 9:30pm**  
**Barnyard & Carriage House**  
**754 Totowa Road, Totowa, NJ**

Over the past 35 years, our programs have grown but our mission has always remained the same of promoting mental health and working to prevent mental illness through education, advocacy, and service. We have been a safety net for hundreds of residents affected by mental illness.

Nearly 60 percent of Passaic County residents with a mental health condition do not receive the treatment they need. Educating the community to reduce the stigma of mental illness and advocating for increased access to treatment are critical approaches to increasing the number of people getting help.

The Mental Health Association in Passaic County is a leading provider of innovative mental health services such as outreach, peer support, counseling, psychiatric services, family support, parent programs, and support groups. A majority of our programs are free to the public and are funded through public and private grants. But these funds do not cover all our expenses.....so please consider supporting our fundraising efforts. Become a sponsor, donate a raffle item, buy a journal ad, buy a table of tickets and show your support! Enclosed is a flyer detailing sponsorship options. Your business/organization will receive great recognition with an audience of over 100 prominent community leaders, professionals and business executives.
